

# Aviva Savings Plan

**With interest rates still at record lows, investing may seem a more appealing way to grow your money than cash savings right now. And if you're thinking about investing some of your money, you'll find what you need with Aviva Savings Plan. We offer different ways to invest, each with different options and risk levels, so that you feel totally comfortable with how your savings are invested. Whatever future you want, we will be there to help you achieve it.**

## Flexibility

You can save from a little as €150 per month, vary your monthly savings amount and make lump sum contributions. You can also change your investment choice at any time without charge.

## Withdrawal options available

We offer the option to take regular or single withdrawals from your Savings Plan.

## Aviva Online Service Centre

With Aviva's Online Service Centre, you can see the value of your policy, the funds you are invested in and the amount invested in each fund. You can also use online tools like our investment suitability tool and view and download your policy documents.

## Investments that work for you

Aviva is the best place to invest to safeguard your financial future, whether you want a ready-made multi-asset fund or you want to work with your Financial Broker to create and manage your portfolio by choosing funds to suit your needs.

# Investments that work for you

We all have different preferences for how we like to invest and we aim to match our offerings with your needs. With the help of your Financial Broker, you can opt for a simple ready-made solution or build a portfolio of individual funds.

**Our investment range focuses on two key propositions:**

## Managed for You

Simple ready-made multi-asset solutions from Aviva.

## Managed with You

Build and manage your own portfolio by selecting funds from our Aviva Select Range chosen by our investment team.

**Of course, you can mix and match between our two ranges. We also offer responsible investment options across our ranges. We are confident that our approach will enable you to find exactly the solution that works for you.**

**Tailored Investment Solutions from Aviva**

## Learn more

For further information on our two fund propositions or Aviva Savings Plan, please speak to your Financial Broker or refer to the documents - *Your Investment Guide* and *Savings Plan Guide* available on [www.aviva.ie](http://www.aviva.ie).

**Warning: Past performance is not a reliable guide to future performance.**

**Warning: The value of your investment may go down as well as up.**

**Warning: If you invest in these funds you may lose some or all of the money you invest.**

**Warning: The income you get from this investment may go down as well as up.**

**Warning: These funds may be affected by changes in currency exchange rates.**

The funds referred to in this document may be linked to an insurance-based investment product and the Key Information Document (KID) for this product is available at [www.aviva.ie/KIDs](http://www.aviva.ie/KIDs). The Risk Ratings of the funds referred to in this document differ from the corresponding Summary Risk Indicators shown in the KID. An explanation of the differences between the Risk Rating and the Summary Risk Indicator is available at the location above.
